

# FAMILY SCIENCE NIGHTS

FREE AT THE HEALTH MUSEUM • SPRING 2024

## Drugs: Costs & Consequences

Opening Eyes to the Damage Drugs Cause

## TOUR THE EXHIBIT EXCLUSIVELY WITH STUDENTS, FAMILIES AND TEACHERS

Family Science Nights at The Health Museum offer a unique opportunity for your school's families and teachers to visit the museum and get an exclusive look at our exhibit! Family Science Nights are designed to foster partnerships between teachers, parents, and students, and strengthen parent and family involvement in science exploration and discovery.

Invite your school's families and teachers to explore our newest exhibit, **Drugs: Costs & Consequences – Opening Eyes to the Damage Drugs Cause**, designed to shed light on the science of drug addiction and the costs to individuals and families. You will have the opportunity to take part in a variety of hands-on science activities and demonstrations.

### WHAT'S INCLUDED?

- A private event for your school or district for up to 200 people
- Free school bus transportation
- Free parking for 60 spots
- Self-guided exhibit exploration
- Hands on science activities
- Sheep brain dissection demonstrations
- Museum scavenger hunt
- Discovery Science Carts

**2024 AVAILABLE SATURDAYS 5:00 PM - 7:00 PM**
